We will be working in many different areas of the greater Kansas City, KS and Kansas City, MO that will include minor home repair, such as general cleanup and repairing, painting, indoors and outdoors, general yard clean up. CHWC has rebuilt ramps and put in new ramps in the past. CHWC also works with elderly and low-income agencies to help do general clean up. CHWC works with an agency called Upper Room where young people are helped to keep up their learning skills as well as learn to read and work with arts and crafts.
