Decorating Crew:

We are looking for all kinds of talent in this category. If you are interested in creating props with provided instructions or want to use your own imagination, we can definitely use you to help create the set for Treasured VBS! We will create some scenery pieces one night this spring, date TBD. (Held at St. Anne Church Faith Formation House in Somerset) Then, the Thursday before VBS begins, (June 17th) we plan to transform the IC-Education Center into an explorer's dream. Even if you're not super creative or aren't interested in making the props, we could definitely use your help in decorating the Education Center ☺!

Crew Leaders:

Crew Leaders are the heart of the program. They interact with the children by leading them to each station and helping ensure the children understand the message for the day. Crew Leaders are friends, encouragers, and helpers. Crew Leaders are needed for both elementary and preschool programs.

Station Leaders:

Station leaders are also the heart of Treasured VBS. These are the people who teach and show Jesus' love to the kids who attend our program. Station leaders are dependable and faith-filled, enthusiastic about working with children, excited about helping, patient, kind, and good communicators. We need at least eight volunteers for the elementary program, one in each of the following roles:

Sing and Play Rock Leader – lead the kids in Treasured VBS songs, share the excitement with the kids, help lead opening and closing activities.

Imagination Station Leader – lead the kids in fun experiments that connect to the daily Bible verse.

KidVid Cinema Leader – show Treasured VBS movie clips to the kids and discuss them.

Vine Dining Snacks Leader (X 4 assistants) – help the kids prepare and serve the snacks each day and clean up afterward.

Jungle Gym Games Leader – lead the kids in pre-planned fun games.

Bible Adventures Leader – lead kids through pre-planned, incredible and fun interactive learning activities that make Scripture come alive.

Closing Quest Leader – share excitement and lead fun skits to wrap up the day.

Spotlight VBS Photographers (x2) – capture the wild and crazy fun on camera! Daily schedule provided of which groups to feature in our daily slideshow. Kids love seeing themselves on the big screen!

Preschool Station Leaders:

Exploration Leader – set up as many of the offered activities as desired and let the children freely move from one center to the next.

Bible Adventures Leader – lead kids through pre-planned Bible stories that make Scripture come alive.

Games Leader – lead kids through pre-planned fun games.

KidVid Cinema Leader - show Treasured VBS movie clips to the kids and discuss them.

Craft and Play Leader – help the children do pre-planned craft activities.

Closing Circle Leader – lead the children in the final songs for the day, review the Bible story and point, and participate in active prayer.

Child Care Providers:

Child Care Providers provide child care to the volunteers' children who are ages 3 and younger. They love kids, are patient and kind, and interact well with babies and toddlers.

Clean Up Crew: Last but not least, we are looking for an energetic group of people who are willing to take down the explorer scene and return it to the look of the IC-Education Center. Many hands make for light work and this is definitely the case beginning at 4:15 pm on Friday, June 25th. We SOOO appreciate this special group of people!
